

STEP 1

Free trial activated

Run your apps for free for 7 days!

STEP 2

Install Flyctl

Follow these instructions to install flyctl, our intrepid command-line interface. It's 100% open-source if you're squeamish about this stuff.

```
> Install flyctl on  
$ Visit https://fly.io/docs/hands-on/install-flyctl/  
for installation instructions
```

STEP 3

```
$ fly launch
```
